

LIFE IS BEAUTIFUL, AND GOD HAS GIVEN US PARADISE.

The eternity of God with its message of love maintains a cyclical path for its accomplishment; that is to say, it is renewed, it is repeated, opportunity is reborn, in each new opportunity the human being is challenged to express what is really new.

Therefore, 2013 has a demand that this year we build something different, to show that we have not lived in vain. We live out a new and dynamic process, supported by cosmic energy to return to the primary intent of God's creation, where God wanted life to be beautiful, and we are His creatures to live in paradise. There is no end, both the creator and his creation are eternal.

In the marvelous world of spirituality, hope sustains the world to correct, change, improve and console, being the means by which the sons and daughters of God keep themselves in His inspiration, to be servants or instruments. The world will never become old, that is, as God the creator does not get old, so His creation does not age. It only changes, to always have eternal life that will last for ever and ever.

2013 is a year that is added to the story, and it is very correct to list every year as going forward in a straight line, but for the seal of eternity, the new also requires the cyclical, highlighting new opportunity. That is to say that the history of the world is a combination of the upward and the circular.

Fraternal hugs to you, desiring that you live out the flavor of the beautiful life, of the commitment to keep our planet like a paradise. It is therefore important and necessary that the work of the church be to discover the beauty of life in paradise.

*I hold the seven stars in my right hand,
And I walk among the seven golden candlesticks.
Pay attention to what I am going to say to you:*

*Let anyone who has an ear listen to what
the Spirit is saying to the churches.
To everyone who triumphs over difficulties
and does not cease to trust in me,
I will let them eat from the tree of life.
This tree grows in the beautiful Garden of God.
(Revelation 2:1,7)*
