

## Offering Prayer

P: We come to you, O God, filled with gratitude and love.

**A: We come to you blessed with life, blessed with faith, blessed with gifts of the spirit, blessed with gifts of the mind, blessed with talents of the body. We come blessed with homes, blessed with money, blessed with possessions, and blessed with time. All these things come from you and to you they belong. We return all that we are and have back to you, O God. Accept us, use us, and lead us to do your will so that others may be blessed by you through us. Amen.**
