

Morning Prayer

Pray this prayer right after you turn on your light, or when the sun wakes you up.

Good morning,
God...

Ignite a light,
Let it shine —
The light of Jesus.

Let it shine in every place.

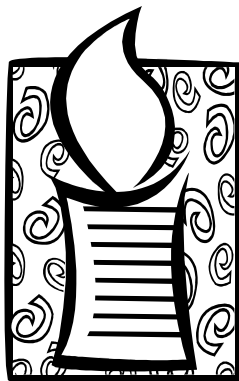

Help me not to hide it.
Help me not to cover it up.

Ignite a light,
In the darkness.

Let it shine in me
today.

Let it shine in my
Salvadoran friend
today.

Amen.

This prayer is based on a song
which Pastor Santiago is using in
Sunday School this year.

Mealtime Prayer

Pray this prayer before you eat
your lunch or supper.

Welcome
to our table, Lord!

Thank you for the
seeds, the sun, the
farmers, and all the
people who worked
to give me bread and healthy food
today. Thank you for my family who
helped me to be fed today.

Bless the people who grow and make
food all around our world.

Bless the farmers in El Salvador, and
help the corn to grow well there. Bless
the family of my Salvadoran friend.
Help my friend to have enough
tortillas and healthy food to eat today.

Amen.

Bedtime Prayer

Pray this prayer
before you go to sleep.

Thank you, God, for this day,
For all the good things I saw,
For all the good things I did,
For all the people who were
with me.

Forgive me for the bad things I
said or did today.

Thank you, Jesus, for being a
light for me and for my friend in
El Salvador today.

Give both of us a peaceful night.
Bless both of us with sweet
dreams and restful sleep.

Amen.
