### Seeds of Hope

I live in Wisconsin, in a nice house with my family. Luis is a poor farmer, who lives in a humble house in Los Heroes, El Salvador.

I met Luis when he came to the church in Los Heroes. I was visiting there. On his shoulder, Luis carried a bag of beans. The bean harvest had just begun. Luis had picked the first beans and brought them to the church. He gave them as a gift ~ a gift for Jesus and a gift for me.

Luis gave a gift from his heart, a gift from the harvest that God had given him, a gift of first fruits. Beans are fruit. Beans are also seeds that hold the future of more fruit.

Luis has faith that God will provide for him. He gave me the gift of hope ~ hope for a good future for Luis who taught me about thanking and trusting God.
